A message from the Secretary:

Please accept my apology, to all the new members, for the lateness of posting the newsletters to you. I hope you can join us at the general meetings and bring new ideas to the Society.

The newly elected committee are listed above and the team look forward to

directing activities this year. We had a great first Show in 2014, and the planning is already underway for an improved weekend Show this year. Hope you want to be involved in this important event.

We will be asking for your input into the meeting venue, and several options are available.

I would also ask for your input as to the type of information/speakers that you would like to see at meetings. You will note that a selection of "Clivia Collectables" will be on display at the March 21st meeting.
