

Clivia Society of NSW Inc. NEWSLETTER — **Spring Issue #22 September 2020**

Issue # 22 Covid-19 Spring - 2020

President's Message

Greetings to all,

Well spring weather is now here and days have warmed. We have been graced with some beautiful days.

Clivia are now in flower. In my home garden the clivia flowers are really on show. Some beautiful blooms to be seen. Though I do not have the exquisite range and depth and quality of blooms and colours that many other members of the Clivia Society may possess I certainly do appreciate what flowers I do see.

Recently I was delighted to see the many wonderful variety and colourful Clivia flowers that have been displayed by Members of our Clivia Society on the social media platforms of Facebook and Instagram. For viewing these spectacular images, I sincerely encourage you to visit on Instagram and search for 'Cliviasocietyofnsw' and on Facebook to search for 'Clivia Society of New South Wales Inc'. Clivia images on display are truly beautiful. In fact, they are truly spectacular. The diversity of beauty is just immense. I am sure you will enjoy what you see. I encourage you to show others, show your neighbours, your friends, anyone that admires your plants and flowers. Invite and encourage them to 'like' or 'follow' the Instagram and/or Facebook pages, or both. Showing others and sharing your enthusiasm will I am sure assist the Society to increase its visibility with others in the community and perhaps encourage others to join our membership.

This year has certainly had its challenges. And I am sure these challenges will undoubtedly continue for 2020. I do not think anyone knows what can be classified as normal any more. Not having the Clivia Spring show is disappointing. Particularly for those members of the Society who are the true Clivia growers, breeders and nursery men and woman of Clivia fame, who get to share their knowledge, expertise and display their efforts of the previous 12 months. We now look forward to 2021.

Kindest regards,

Stephen Reid

VIRTUAL SPRING SHOW

Is now underway – submit your images

Members have the opportunity to share the joy in Clivias with their fellow members and followers. You are invited to capture images of your 2020 Clivias and submit them to foundation member Ray Sidoti who has agreed to post them into the Society's Facebook page. The virtual show will run for the rest of the flowering season and we anticipate an umbel of recognitions to be announced in the October issue [#23] of this Newsletter, recognitions such as: the nicest garden variety Clivia, most interesting floral pattern, best orange C. miniata, the most outstanding throat colour, best cream C. miniata, Interspecific, best yellow C. miniata, most attractive garden setting featuring Clivias, nicest potted Clivia specimen and most attractive Group 2. Plus, a couple more secret recognitions.

Clivia Society of NSW Inc. NEWSLETTER — Spring Issue #22 September 2020

Open to all financial members of the Clivia Society of NSW Inc. Members can submit up to ten images, images for the current (2020) flowering season [1st week August to 3rd week October inclusive], maximum of one recognition per member to spread the joy by participating.

Please don't be shy, all of us share the same interest and joy in these wonderful flowers, no matter how big or small, whatever colour.

Your images are best sent to Ray by email: rmsidoti@hotmail.com

Images may also be published in future issues of this Newsletter as well as on the Society's Instagram site.

Be in it to win it! Closing soon.
